G-2/I 350.051

11 JUN 1950

Major General C. A. Willoughby
Assistant Chief of Staff, G-2
Far East Command
APO 500, c/o Postmaster
New York, New York

My Dear General Willoughby:

I am answering your letter to General Bolling of 1 May 1950 as he is now in Germany for the annual G-2 conference there.

We were greatly encouraged by Mr. Wisner's personal report on the results of his trip to FECOM and believe that the visit was extremely beneficial from the standpoint of clarifying many points which probably had not been properly understood in Washington or Tokyo.

Mr. Wisner's people and ours are now working on plans to implement the modus operandi which you and he have informally agreed to and hope that it may be the basis for an SOP that can be applied on a world-wide basis. You may be interested to know that the procedure adopted last year for coordination between FECOM and CIA has been applied most effectively in USFA and EUCOM.

Sincerely,

MEMO FOR RECORD: Reference ltr from Gen. Willoughby to Gen. Bolling discusses in general terms the results of Mr. Wisner's recent trip to CINCFE. With respect to implementation of the informal modus operandi agreed to between General Willoughby and Mr. Wisner, G-2 is now awaiting the initial draft which is being prepared by Mr. Wisner's staff and will be submitted for our consideration.
